### Ageing

-

### Alcohol content

15%

### Technical data

Acidity: 5.76 gr/l - Non-reducing extract: 29.30 gr/l

### Serving temperature

16° C

### Suggested evolutionary peak from

15-20 years after the harvest

### Sensory profile

Warm, enveloping and fruity. On the nose, it has red fruits with slightly herbaceous and peppery notes. On the palate, it is straightforward and harmonious, rich in aromas. Balanced and delicate taste. It presents fruity hints of rose and violet, followed by notes of morello cherry with mineral undertones. Great balance of savoriness and freshness, with vegetal and fruity returns that become pleasant and harmonious with present, almost discreet tannins.

### Serving suggestion

Pairs well with meat-based first courses and lasagna, roasts, stewed red meats, aged cheeses.
